

Queer in Cryptography 2025 Sponsorship Opportunities

Sponsoring the Queer in Cryptography Conference 2025 is a great way for you to raise awareness of your organization and connect to both the cryptographic community and the the LGBTQIA+ community. We ask that you consider the following sponsorship options, and select the one that best suit your organization's outreach needs and values.

Please note: the Queer in Cryptography Conference Corporation is NOT a 501(c)(3) organization; sponsorship funds are NOT tax-deductible. (We hope to have this fixed in time for Queer in Cryptography 2026!)

What You're Supporting

All sponsorship funds are used to support some combination of the following:

- Defraying general costs of the conference, such as venue rental, catering, ASL interpreters, advertising and outreach, program and poster printing, and general supplies
- Fees for invited speakers
- Providing scholarships for student attendees, including discounted student attendance, free attendance for student presenters, and travel or lodging assistance for hardship students

If any funds remain after all expenses are paid, they will be used to help fund the Queer in Cryptography 2026 conference.

If you're interested in sponsoring the Queer in Cryptography 2025 conference, please reach out to us at queerincryptography@gmail.com. For more information about the conference, including our call for papers and presentations, please visit cryptography.lgbt.

Sponsorship Levels and Benefits:

Conference Sponsor (\$1000, 4 available)

Conference Sponsors are specifically recognized in the conference program, during the opening address, and in all on-site posters and signage. Conference Sponsors are entitled to a quarter-page display in the conference program. Additionally, Conference Sponsors receive two complimentary admissions and two conference t-shirts in the sizes of your choice. Conference Sponsors are consistently recognized by organizers throughout the conference, including the opening and closing addresses.

Conference Accomplice (\$5000, 1 available)

Conference Accomplices are specifically recognized in the conference program, during the opening address, and in all on-site posters and signage (with larger space than Conference Sponsors). Conference Accomplices are entitled to a half-page display in the conference program. Additionally, Conference Accomplices receive five complimentary admissions and five conference t-shirts in the sizes of your choice. Conference Accomplices are consistently recognized by organizers throughout the conference, including the opening and closing addresses.

Conference Partner (\$10000, 2 available)

Conference Partners are specifically recognized in the conference program and in all on-site posters and signage (with larger space than Conference Sponsors and Conference Accomplices). Conference Partners are entitled to a full-page display in the conference program. Additionally, Conference Partners receive ten complimentary admissions and ten conference t-shirts in the sizes of your choice. Conference Partners are consistently recognized by organizers throughout the conference, including the opening and closing addresses.

Activity Sponsorship Opportunities:

Refreshment sponsor (\$400, 4 available)

Attach your name to the most important part of any cryptography conference: the coffee! Your coffee break will be listed in the conference program as “Refreshment break sponsored by <your name>”. Signage will be placed near the refreshments (coffee, water, soda, etc.), indicating your sponsorship. You will be thanked specifically by conference organizers when announcing your break, and during the opening address.

Lunch sponsor (\$800, 2 available)

A conference runs on its stomach, and you can be there to make sure happy, well-fed attendees see your name when they see food. Your sponsored meal will be listed in the conference program as “Lunch sponsored by <your name>”. Signage will be placed near the lunch area, indicating your sponsorship. You will be thanked specifically by conference organizers when announcing your break, and during the opening address.

Print materials sponsor (\$800, 1 available)

Programs and signage need to be printed, and you can help that happen! The Queer in Cryptography Conference 2025 program will include special acknowledgment on the front and back pages, and you will be thanked specifically during the opening address.

~~Lanyard/Badge sponsor (\$1200, 1 available) – Sold out~~

~~Everybody at the Queer in Cryptography conference will receive a lanyard and name badge. With this sponsorship, you can have your name or logo printed on the lanyard as a sponsor, next to “Queer in Cryptography 2025”. You will be thanked specifically by conference organizers during the opening address.~~
